

TOE KICK INSTALLATION GUIDE

TOE KICK INSTALL

- Scribe the toe kick as needed
- Attach toe kick to base
 - Toe kicks installed to the leg / base
 - If a cabinet is next to an appliance or at the end of run with a plant on panel, then the toe kick will be flush with the plant on panel or cabinet side when doing a return with the toe kick.
- See installation advice for [adjustable leg](#) toe kick installation. *(figure 10)*
